Dear Parents;

We thank you for your interest in Websterville Baptist Christian School. I speak for all the staff, teachers, and board when I say that it is a great honor to have you interested in the possibility of sending your child(ren) to our school. Websterville Baptist Christian School is a ministry of Websterville Baptist Church. Our purpose is to support you, as parents, in raising Godly children with a Christ centered education. Our teachers are dedicated to training young people to serve God, a task for which they are fully prepared.

We enjoy a solid foundation and strong tradition of teaching young people from a traditional setting with the Word of God as the basis. We strive to maintain a relaxed atmosphere where learning can take place, while upholding high standards of Christian character.

The motto "Train up a child in the way he should go, and when he is old he will not depart from it," (Proverbs 22:6) continues to be the driving force behind our schools existence. There is a firm belief that when home, school, and church agree on this mission, the future will be bright for our children.

Christian education is teaching students God's truth in every area of life, be it Mathematics, Science, English, History, or whatever. At Websterville Baptist Christian School we strive to teach students to look at the world from the perspective of God's word rather than the humanistic, materialistic viewpoint of the secular classroom. Again, we believe that God has given parents the responsibility to "train up" their children in the nurture and admonition of the Lord. Websterville Baptist Christian School was established to aid parents in that responsibility.

The first area we are interested in is the spiritual growth of our students. We strive to have every student accept Christ as their Lord and Savior. We want to prepare our students for the place of God's service for them. Our desire is to assist the students to "become conformed to the image of Christ Jesus". (Romans 8:29)

The second thing we strive to do is give our students a superior academic education. We believe the Christian should excel in every area and that God expects us to do a better job academically.

We also recognize in this day of lawlessness and permissiveness, that it is vital we develop strong character in the lives of our youth. We strive to do this through consistent discipline and control in the classroom.

We believe that these areas are vital in the lives of children and must be developed if the child is to become a profitable adult to God. This development can best be accomplished as parents, school, and church work together. We are anxious to work with you in developing your child(ren) into a profitable servant of God.

Thank you for your interest and time in seeking to know more about Websterville Baptist Christian School.

Serving Christ Through Education,

Mr. Bill Croteau, Jr
