Yearbook: There are about 20 copies of the 2006/2007 yearbook left to pre-order. If you have not already ordered yours, please do so now. Anyone who would like to purchase an ad for the yearbook, must do so by January 30th. You may see Mary Ellen Orr if this is something you are interested in doing.

Substitute Teachers: We are in need of people to be on our substitute list. The greatest need is in the preschool. If you are interested and could be put on a call list, please see either Beth Tetreault or Bill Croteau, Jr.

Report Cards: Report cards go home this Friday. If you have any questions or concerns about your child's grades, please feel free to make an appointment to see their teacher.

Teacher Meetings: Monday, February 5th will be an 11:30 dismissal due to teacher meetings in the afternoon. Please make sure your child is picked up at 11:30. There will be no extended care that day.

Open House: The Open House will be held on the 9th of March. Reenrollment for 2007/2008 will begin on March 1st. A letter will be sent home soon with information regarding this process.

Kindergarten Cookie Sale: Mrs. Danyew and her kindergarten class made cookies and sold them to the faculty and staff last week. The total of \$80.00 was donated to a family in need.

Ski/Skate: We are in need of drivers for skiing. Since we rely on parent drivers, the success of this program depends on parents being willing to transport children. Please see Mrs. Collins if you are able to help out.

Congratulations: We wish to extend hearty congratulations to Chris Mahmood and Maggie Winchester for taking 1st place in the State of Vermont poetry contest. Their entries will be sent on to the national competition.
