Pricechopper Promotion: Because we achieved better participation in the Tools For Schools program at Pricechopper, we have received a free digital camera. This has been given to Mary Ellen Orr to be used for the Yearbook. Thank you all for participating in this great program.

Enrollment for 2007/2008: Packets for next years enrollment will be mailed within the next two weeks. Please take time to consider maintaining consistency in your childs education.

February Vacation: February vacation starts on the 26th. Please make sure to mark this on you calendar.

Tuition Payments: If your tuition is not up to date, please make arrangements through the office to fix this. We rely on the prompt payment of all fees to remain current on our liabilities.

Early Pickups and Appointments: If the need arises for you to pick your child up early, please make sure you sign out through the office. If your child will be absent for any reason, please make sure you call the school and let us know.

RECOGNITION

*I would like to take a moment and recognize the contributions
all of our basketball coaches make to the overall
educational experience of your children. I would also like to
express my gratitude to Mrs. Virginia Collins for serving
as the Athletic Director. Without her, most of what we do would not be possible.*
