WBCS

# Warrior Broadcast

**Open House:** Please remember that the spring open house will be held on February 24th. The enrollment packets will be available in the office on Friday, February 17th. You may begin reenrolling on the 24th. I would also request that any student who attends the open house, follow the school policy and wear proper school dress.

**Booster Club News:** Thanks to all of you who supported WBCS through the Price Chopper and Hannaford store programs. We earned 19979 points through Price Chopper Tools for Schools and were able to order some computer learning programs for our Elementary school students. We also ranked 2nd in our area for the percentage per student earned and will be awarded a new digital camcorder for our school. At the end of February we will find out how we did with the Hannaford Helps Schools program.

It's now time to turn in all those Box Tops for Education certificates and Campbell's Soup Labels you've been collecting all year. The Box Tops certificates have to be mailed in to the company at the end of February so we are requesting that you turn them into the office by the 17th of February. We earn money for these so it's important to get them in soon. If you are interested you may also go to; [www.boxtops4education.com](http://www.boxtops4education.com) and register as a Booster Club member and earn extra points for the school. You are not required to purchase anything at this site but it is a great place to receive coupons and other information. Please turn in your Campbell's Soup labels by the April vacation.

The Booster Club is planning a meeting for the end of March. One important issue we will discuss is our fundraising efforts. As you may have noticed we did not, nor do we plan to, have a candy bar sales event this winter/spring. We must decide how to continue to fund our projects and we hope you will step up to join us. If you are interested in helping or have any ideas, please call Laurie Grimm (479-2166)

**Ski/Skate:** Please remember that there will be no ski/skate on Thursday, February 9th. School will be dismissed at 11:30 and there will be no Extended Care that day, so please have your children picked up right at 11:30. All students need to be in dress code that day.
