March 7, 2007

WBCS

Warrior Broadcast

Extended Care: There will be no extended care on Friday, March 9th. I apologize for any inconvenience this might cause, however this will allow us to clean the facility for Open House that evening.

Open House: Open House for 2007/2008 will be Friday, March 9th. The evening will start with a brief opening program at 7:00 and then proceed to visitation of classrooms. Please feel free to come and visit with your child's next teacher. I would ask that all WBCS students wear dress code or other nice dress clothing.

Reenrollment: Now is the time to reenroll for next year. Please take advantage of the opportunity to save money on the registration fee by getting the paperwork and a check to the office by March 31st. We are looking forward to seeing how God will work through this school in the future.

Sports Award Night: We will take the opportunity to honor our athletes and coaches on the 23rd of March. We are requiring that all students of WBCS who attend wear dress code or other nice dress clothing. No jeans are allowed.

Daylight Saving Time: Remember to set your clock ahead this weekend.

WBCS High School Boys Basketball: Congratulations to the High School boys basketball team for reaching the quarter finals of the state tournament. They did lose to Sharon Academy on Saturday, but they played a good game and deserve much praise.

IMPORTANT MESSAGE TO ALL PARENTS:

As this year has gone along, more and more students have been arriving tardy or not coming to school at all due to reasons other than illness, emergency or pre-approved vacation. When students are late or not in school, this negatively affects your child, and the other students in the class. Please try your best to make education the priority it should be and try to arrive on time each morning.

March 07, 2007

Dear Parents,

I would like to clarify the rules we have established for the bowling alley. I would encourage any parents who would like to go and observe their children, to do so. We do not allow the students to buy soda or snacks from the vending machines and would appreciate you not purchasing these things for your children. The problem is that other children see things being bought and then start asking why they cannot do the same. We are simply looking to be consistent with the students. We also do not allow the students to play in the arcade during the time we are bowling. If you feel it necessary to let your child play the arcade, please wait until after the bus leaves and stay a little while to allow them that opportunity. I appreciate your support as we strive to make things run as smoothly as possible.

Thank you,

Mr. Bill Croteau, Jr
