WBCS

# Warrior Broadcast

*Reenrollment month is now here. Please be sure to get your information for next year in to the office soon. We have had several inquiries from new parents and we want to make sure we have space.*

*The school sign includes the phrase "Distinctively Different By Design". The question then becomes, how are we different? I have included a list of some of the things that make us different.*

*\*\*We offer an education based on Biblical Values while stressing Godly Character and Moral Discipline.*

*\*\*We offer a family-like atmosphere for both students and parents.*

*\*\*We offer a quality Teaching Staff which includes our Jr/Sr High Math Teacher, Mr. Burt, who is the 2009/2010 Times Argus Readers Choice Best of the Best High School Teacher for Central Vermont.*

*\*\*We have several Alumni who believe enough in the school to return and reinvest in various capacities.*

*\*\*We offer competition in the Vermont State Envirothon at the High School level.*

*\*\*We take all students in grades 7-12 on a two day retreat every fall. This promotes unity between staff and students.*

*\*\*We offer flexibility for students in their senior year, by allowing them to take some classes at Community College, which allows them to get credit toward High School Graduation, as well as toward their first year of college.*

*\*\*We offer an outstanding basketball program for students in grades 2-12.*

*\*\*WBCS is accredited by the American Association of Christian Schools and is a Recognized Independent School in the State of Vermont.*

*The Richie McDonald Concert will be this Saturday at the Barre Opera House. The Concert begins at 7:00PM. You may purchase tickets from Barre Tile or the WBCS Office.*
