WBCS

Warrior Broadcast

WBCS will be holding its annual Spring Fling this Thursday (May 19) afternoon. This is a time whereby all students participate in a time of friendly competition between the gold team and the blue team. All students have been assigned to either the blue or gold team for this event. The event will take place out on the playground from 1:15—2:45 Thursday afternoon. We would invite parents to come cheer on the students. This event is weather sensitive and will not be made up in the event of rain.

WBCS will not be requiring that students be in school dress on the day of the Spring Fling. Students may wear jeans or modest shorts and t-shirts for the day. Any student who comes to school wearing clothing with inappropriate slogans or anything that does not conform to the school's modesty standard will be sent home. Students will be allowed to be out of normal dress code even if it rains and the event is canceled.

Thank you to all who participated in the candy bar fundraiser. Please be sure to turn all monies owed to the school in to the office now.

The WBCS School Board, Administration and Staff would like to thank each of you for choosing to send your children to the school this year. We recognize that you have made sacrifices in order that your children may attend. Please feel free to let the Administration know of any successes or concerns you may have.
