WBCS

Warrior Broadcast

Fall Frolic: The annual WBCS Fall Frolic will be held this Friday. This is a time of games and refreshments that the entire school participates in. Your student should have found out what color team they will be on. If your child is on the blue team please dress them in a blue shirt. (T-shirt or Polo Shirt) If your child is on the gold team, please dress them in a gold shirt. The students may also wear jeans on that day if they want to. I would also remind you to allow your children to return to their classroom before being picked up.

Winter Shoveling: We are looking for someone to shovel our walks after all snowstorms. We are willing to pay a fair amount per hour for this service, however it will require being here before school opens for the day.

Grandparents Day: Please make sure all Grandparents and Special Friends are aware that they are welcome to join us on October 14th. This day is always a treat for the special people in the lives of our students.

Silent Auction: Please keep the Silent Auction on your calendar. If you know of anyone willing to donate an item to this cause, please have them contact Nel Lunde at 479-9216.

Tuition Payments: Please make sure all tuition payments are kept current. We rely on the prompt payment of tuition in order to pay our bills and uphold our testimony.
