WBCS

Warrior Broadcast

Grandparents Day: Please make sure to invite all grandparents and Special friends to our grandparents day on Friday, October 13th. The events will start at 10:15 AM with a coffee and pastry time of fellowship in the library and continue with a program put on by various classes at 10:45. Please send a note to your child's teacher specifying the number of people coming that day. We would ask that you limit the number to grandparents or specials friends only, due to space considerations. The WBCS School Board will be providing lunch to all students and grandparents that day.

Visitor Policy: Please be advised that as part of our effort to improve the security of your students, the back door and the side door will be locked from the outside at 8:30 each morning. Anyone picking up children or visiting must come through the front door and must report to the office. We have revised our policies concerning fire, bomb threat and natural disaster and will get a copy of this to each parent as soon as the lockdown procedure is completed. We take the responsibility of making sure your children are safe very seriously and are working hard on getting these things done.

Teacher In-Service: Please be advised that Monday, October 16th will be a half day of classes for the students. Dismissal will be at 11:30 and there will be no extended care that day.

David Phelps Concert: Websterville Baptist Christian School will be hosting a benefit concert on December 8th. The concert will feature; David Phelps (formerly of the Gaither's); Daren Streblow, a Christian comedian; and Anthem Avenue, a Christian group. We are expecting 1500 people in attendance so get your tickets early at the WBCS office. Tickets are \$22.00 per ticket.
