---

*Thanks to the efforts of Larry Rohm and Kevin Perry of Short Stop Convenience Stores, Websterville Baptist Christian School has been awarded a \$500.00 ExxonMobil Educational Alliance grant to support the continuance of quality education. The money will be used to support our ongoing budgetary needs for this year. Funded by Exxon Mobil Corporation, the ExxonMobil Educational Alliance program is designed to provide Mobil retailers like Short Stop with an opportunity to invest in the future of their community through educational grants to neighborhood schools.*

---

*There will not be any school on November 6,7 or 10. The 10th is Parent/Teacher Conferences. Please call the office and schedule an appointment before next Wednesday. \*\*Please Note: Nov. 6th will be a meeting at 7:00 for anyone interested in helping with the school directory.*

---

*The Senior Class will be selling 2009 calendars as a fundraiser for their Senior trip. These calendars will feature a different class for each month. Order forms will be sent home by next Wednesday, so be sure to take advantage of a great way to remember the school year by. This makes a great gift for Aunts, Uncles and Grandparents.*

---

**\*\*\*\*Very Important\*\*\*\***

*Please make sure all immunization records are updated and submitted to the office. If you are not sure that we have the necessary information, please contact Mrs. Mackie at the office.*

---

*Remember to check the local radio station or Channel 3 News for information regarding school closings or delays in the case of inclement weather. This year we may be doing some delayed openings. In the event we decide on a 2 hour delay, the school will be opened at 10:00 AM. Please remember that even though we may delay at first, keep checking because it may still be necessary to close school.*
