WBCS

Warrior Broadcast

Parent/Teacher Conferences: There will be no school Monday, November 6 because of parent/teacher conferences. Please make sure to schedule an appointment with your child's teacher.

Teacher Convention: There will be no school next Thursday and Friday (Nov. 9 & 10) due to the teachers convention.

David Phelps Concert: Tickets are available at the WBCS office. This is an incredible opportunity to take in some quality Christian entertainment and invite a friend to hear God's Word.

Thanksgiving Break: The school will be closed for the entire week of Thanksgiving this year in observance of all that God has provided.

Student Absences: I would ask that all efforts be made to coordinate family vacation plans with the schools schedule. I do understand there may be circumstances beyond your control and will always try to work with parents in these situations, however in the long run it hurts the student when they are gone for any extended period of time.

Tuition Payments: Please make sure we receive all tuition payments by the 15th of each month.

Winter Apparel: Please make sure your children come to school with a jacket, mittens and the appropriate footwear.

Student Illness: If you suspect your child of having a fever, pink eye or any other communicable illness, please keep your child at home until the illness has ceased being contagious.

Traffic Pattern: Please follow the traffic pattern printed on back when picking your children up from school. This will help prevent any accidents from happening in our crowded parking lot.

Ice Skates: Mrs. Danyew has some girls ice skates in her classroom. This would be a great opportunity, if your girl needs skates for this season.
